Caleb: While you're hitting Fox News for it's Ron Paul coverage, you should take a look at this _Daily_ article:
Caleb: http://www.thedaily.com/page/2011/12/15/121511-news-ron-paul-1-3/
me: I seen it
me: on your twitter
me: "this time, the cause is the campaign"
me: as evidence of this, the campaign is different this time
Caleb: The only on-the-record quote says the current campaign chair wasn't good at his job four years ago.
Caleb: Then it's mentioned said current chair also headed the Rand Paul campaign two years ago.
Caleb: The campaign that beat everyone's expectations by winning.
Caleb: 800 words and all he got was that one fucking quote.
me: but they're getting their money in gradually this time
me: instead of doing money bombs
me: this is a break with Libertarian principles
me: Herman Cain wants to be your military advisor
